YOU CAN NOW ORDER ONLINE

The team at Roberts Designs is pleased to officially launch our fully integrated online ordering system. Exclusively for our wholesale clients, this facility is designed to support you and make ordering with us simple.

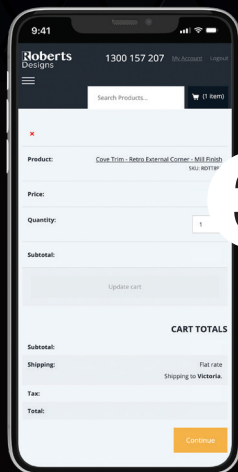

1 LOGIN

Already have an account with us? To login all you need to do is activate 'Forgot Password' to generate a secure password. Make sure to use the email address that your existing Roberts Designs accounts are sent to.

SELECT PRODUCT AND ADD TO CART

Selecting the products you need is easy. Navigate via the menu, or search for a specific product name or SKU in the search at the top of each page. Simply select the specifications and quantity, then click 'Add to Order'.

3 CHECKOUT

Follow the checkout process and your order will be sent directly to the Roberts Designs team, who will get busy picking and packing. Your invoice will be sent via the usual process.
